

SOMALI CANADIAN Education & Rural development Organization (SCERDO)

Enhance your Employability skills and Earn while you learn!

SCERDO is offering the opportunity for 12 youths to enroll in the Somali Youth Employability, Empowerment, Integration and Work Experience Project. The program provides essential employability and computer literacy training and consists of 10 weeks **paid** in class training and 14 weeks **paid** job experience placement. The program will greatly increase your marketability and success in securing and sustaining meaningful employment.

This life changing opportunity is on a **first-come-first-serve** basis and places in the program will go fast. So **act immediately** if you qualify and are interested in having a better future!
